# Abroad

The beautiful campus of LNMIIT gives one a peace of mind and the faculties provided by LNMIIT are constantly enhancing.

**Swati Bhargava (Y-06)**  
Aston University, Birmingham, UK

Along with sound technical knowledge, LNMIIT has a very rich culture for the overall personality development.

**Anshul Gupta (Y-05)**  
Ph.D Student, Helmut Schmidt University / University of  
the Federal Armed Forces, Hamburg, Germany

I chose LNMIIT because of the Highly Qualified Faculties and we get ample chances to go for internships all over the world

**Ashutosh Singla (Y-08)**  
Master of Science, Department of Communication Engineering,  
RWTH Aachen University, Germany

About LNMIIT, I don't really know what to say...I don't know how things are going on right now but it was a great time when I had attended it.

**Jagdeesh Acharya (Y-06)**  
INRIA, France

LNMIIT is like "Modern day Gurukul" to me

**Rashi Dixit (Y-04)**  
International Marketing Manager Think Education Group  
Sydney, Australia

I would just say make full use of this incredible opportunity you are getting. Study hard, play hard, make friends for life and create history.

**Akshay Garg (Y-07)**  
Software Engineer DSBU, Cisco Systems Inc., USA

# Abroad

While I always wanted to make a positive change in the community, it was at LNMIIT that my professors gave me the tool-kit to make it a reality.

**Radhika Loomba (Y-08)**  
Ph.D Student, Waterford Institute of Technology, Ireland

At LNMIIT, the various co-curricular and extra-curricular opportunities have served me as a means for expression and articulation.

**Rushil Sharma (Y-07)**  
M.S.  
North Carolina State University, USA

The four years of LNMIIT have really shaped me as an individual. The ample opportunities of leadership through clubs/events and academics have made me independent, and have taught me to take my own decisions.

**Krishna Teja (Y-07)**  
M.S., Simon Fraser University, Vancouver, Canada

About LNMIIT: It is an ideal environment to learn 'how to learn', which gives an extra edge to out-stand after you graduate no matter who you compete against!

**Hemant Purohit**  
Researcher, (Kno.e.sis)  
Wright State University, USA

The institute in a way nurtured and groomed us for 4 years to equip us with enough of abilities and confidence to further pursue jobs/studies/start-ups.

**Smrati Gupta (Y-05)**  
Ph.D Student, ETSE-UAB, Spain

LNMIIT is my alma mater, for providing an excellent platform and environment to 'think big' and 'strive for the best', not only in academics but in life. Thanks.

**Sajal Bhatia (Y-04)**  
Ph.D. Student, Information Security Institute  
Queensland University of Technology, Australia

# Abroad

Welcome to the LNMIIT family. I wish you a very successful career.

**Neha Dawar (Y-08)**  
M.S.  
University of Calgary, Canada

LNMIITians have proved themselves as leaders in the diverse careers of their choice and earned laurels for their alma mater.

**Dinesh Chobey (Y-09)**  
Ph.D Student  
NTU, Singapore

With its state-of-the-art infrastructure coupled with renowned faculty and talented students, LNMIIT has earned recognition in various spheres within a short span of time.

**Abhishek Rajpurohit (Y-05)**  
Deloitte Los Angeles, California, USA

LNMIIT is a place where we nurture not only education but develop and cultivate roots of humanity, generosity, relationship, professionalism and faith in oneself.

**Ashutosh Baheti (Y-05)**  
Master in Information and Communication Engineering  
Technical Universitat Darmstadt, Germany

The LNM Institute of Information Technology has been a kaleidoscope of experiences which turned best out of me.

**Neha Baheti (Y-08)**  
Master of Science in Communication Engineering  
Technical University of Munich, Germany

It is the place where you get world level education exactly same as in IITs without the requirement of that level of entry qualifications.

**Sanjay Goyal (Y-05)**  
Ph.D. Student  
Department of Electrical and Computer Engineering,  
Polytechnic Institute of New York University, USA

# Serving The Nation

**Anupam Sharma (Y-05)**  
Developer In  
De-Shaw Mumbai.

"He says he likes LNMIIT a lot. Supporting teachers and solid Infrastructure is that what he likes most about LNMIIT."

**Saurabh Mimani (Y-07)**  
Developer at FLIPKART

"I am proud of being an LNMIITian, and I am sure everyone else who knows how to seize the opportunities that LNMIIT has to provide, would be."

"The place where Knowledge meets fun !! Everything I learned here has helped me shape a successful career in the IT industry. Met amazing teachers who provided great guidance during my most crucial years. Met enthusiastic peers who will be my friends for life!!"

**Arvind Babel (Y-07)**  
Software Development Engineer  
@ Amazon.com, Hyderabad

"Wherever I'm today and whoever I'm professionally as well as an individual, LNMIIT made a huge contribution to that. Proud to be part of this great institution."

**Jatin Sharma (Y-07)**  
Software Developer, Microsoft  
Young India Fellow

Faraday was once asked-"What use is electricity?" and he replied-"What use is a baby?" Education at LNMIIT is similar to electricity. It is in your hand how to use it.

**Divyanshu Pandey (Y-07)**  
HPCL-Mittal Energy Ltd.

"This college in the shadow of Aravalli hills gives feeling of a Gurukul and gyan earned here both in and outside classrooms from awesome faculty members and colleagues here has helped me in all aspects of my life."

**Satyadev Gupta (Y-05)**  
Adobe System, Noida  
Software Engineer Level 2

"LNMIIT offers great opportunities for overall development in terms of academics, sports, culture and social activities."

**Nikita Goyal (Y-08)**  
Samsung India Electronics  
Pvt. Ltd., Noida Delhi
