At the outset the Chairman welcomed all present and called the meeting to order

Thereafter, the agenda items were taken up for discussion.

Agenda Item No. 1: **To consider the proposal for forming administrative structures by grouping the various disciplines existing in the University:**

The Academic Council discussed the matter at length and finally came to the conclusion that a discrete structure, so as to organize the academic programs, be put in place.

The Academic Council agreed to organize the academic activities under the following divisions:

  (a) Division of Communication and Computer Engineering.

  (b) Division of Pure and Applied Physical Sciences.
  (c) Division of Humanities and Social Sciences.

Depending on the need, another Division of Life Sciences could be added in future.

Agenda Item No. 2:. **To consider the number of admissions in PG programmes:**

The Governing Council had approved 30 teaching assistantships in its meeting of Feb. 2011. These assistantships were approved for post graduate students. Considering the need for strengthening the post graduate programme, the academic council recommends admission of up to 30 students in the post graduate programme for this year. The council further recommends to augment this number for future years.
