Institute will remain Closed for on campus Academic Activities

In compliance to State government order dated 18th April 2021, the Institute will remain closed for Ph.D. students for on campus academic activities till further orders. However, the prescheduled classes and examination will be conducted in online mode as per ongoing system.

Research Scholars staying in the hostels have already been advised to vacate the hostels as early as possible but not later than the 23rd of April. However, till the time they leave the hostel they will not visit academic blocks and will remain in the hostel strictly following the social distancing norms to minimize the physical contact to avoid spread of COVID 2019 through second wave.

It is expected that students will continue to work from home and mandatorily remain in touch with their supervisors on regular basis. They will comply with various directives being issued by institute from time to time.

The notification about regular reopening of Institute will be issued appropriately once the permission is granted by the State Government and situation becomes normal.
