

THE LNM INSTITUTE OF INFORMATION TECHNOLOGY, JAIPUR

F. No. LNMIIT/Reg./Office Order/49/2018-19

Date: March 18, 2020

Circular

In order to minimize the possible impact of secondary infections of COVID-19 it has been decided to stop all non-essential entry and exit in to the LNMIIT campus and to minimize the direct interactions as far as possible with the essential services.

Employing the more effective containment with minimal service disruption, following safety measures will be made effective from March 19, 2020:

1. All working staff will be permitted to enter only after wearing the mask. It would be the responsibility of the Vendors/Service Providers/ Shopkeepers to provide the mask to their employees who have been working with them.
2. The supply Vendors will also be permitted to enter only after wearing the mask. It would be the responsibility of the Vendors/Service Providers/ Shopkeepers to provide the mask to their supply vendors if they wish their supplies to be delivered at their door.
3. All public transport vehicles, taxi, Ola, Uber etc. to be stopped at main gate.

We understand these measure are going to create a lot of operational pain to you. But, we need to act as responsible citizen and comply with the guidelines for stopping the secondary infection effectively. It is a big sacrifice from everyone to limit their liberty but it is for the common good.

Thanks for your cooptation.

(Dr. Renu Bapna)
Registrar
