

**CSI-LNMIIT**

**11 October, 2016 Tuesday**

Amidst the series of tutorials organized by the CSI Student Chapter, great zeal was shown by the Freshmen in a lecture series cum quiz on the **"INTRODUCTION TO LINUX"** organized on October 4, 2016 .

The event coordinators were : - Tayba Wasim, Neelesh Rajpurohit and , Saket Kumar, from Y15 batch.

The event consisted of basic introduction to the LINUX operating system by one of the speakers from Y15 batch ,Neelesh Rajpurohit.

After this the students were enlightened about the Linux shell commands and their interesting applications by Mr Sagar Chand Agarwal ,final year student. There was a good two way interaction between the audience and the speakers .The students raised interesting questions and their quest was satisfied by the speakers.

The tutorial was followed by an application based quiz on LINUX and saw enthusiastic participation of the students in the form of quick responses and was great learning experience for the novice .
